

Time Flies

Starting Questions:

How has it changed? How is it similar? How is it different?

How have birds and eggs changed over time?

How have I changed?

What couldn't I do then that I can do now?

Deeper thinking questions.

What can you use that takes the longest time to fall?

Eggs, birds, flight

<p>Take One Picture Week Living Eggs arrive- Tuesday Video inset- 3.30pm-4.30pm Reception Open Morning- 20th Pollock Room: looking after the eggs. Observing changes. Writing and drawing. Take One Picture Week- focus on the bird. Look closely at the features of a bird. Talk about this to form a basis in order to draw next week.</p>	<p>Changes - birds. Chicks will have hatched. Chickens in the courtyard to encourage observational drawing.</p>	<p>Changes</p>	<p>Bank holiday- Monday Flight Dinosaurs that flew. Musical instruments. Composing. Steel pans. Making wings. Dressing up day?</p>	<p>Flight Aeroplanes. Now and before. Making paper aeroplanes. Making kites. Making parachutes. Class contests Science - investigating gravity. Amelia Earhart, the wright brothers.</p>	<p>Empty Classroom Week</p>
