

Place knowledge

Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.

Locational knowledge

Name and locate the world's 7 continents and 5 oceans.

End of Year Expectations

Geography

Year 1

Human and physical geography

Discuss daily weather patterns in the United Kingdom

Relate the location of hot and cold areas of the world in relation to the North and South Poles

Use basic geographical vocabulary to refer to key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river and weather.

Use basic geographical vocabulary to refer to key human features, including: city, town, and village.

Geographical skills and fieldwork

Use world maps and globes to identify the United Kingdom and its countries, as well as the continents and oceans.

Use locational and directional language [for example, near and far, left and right], to describe the location of features and routes on a map.

Devise a simple map; and use and construct basic symbols in a key.

Use simple fieldwork and observational skills to study the geography of their school and its grounds.
