

*Starting Questions and deeper thinking questions: Where does fruit come from? Where has the fruit come from? Who has delivered the fruit? Why is it here? What fruit is it? What animals could have left the prints? How did they leave the footprint? Where have the animals come from? How can we make footprints? Can you tell an animal from its footprint? Are all footprints the same? Where do your animals come from? What do they eat? Do all animals eat the same? What counties has Meerkat visited?*

Week Beginning: <b>04.09.2017</b>	ALL ABOUT ME WEEK Independent Learning - Getting to know the children Self Portraits Class Charter target Balloons
Week Beginning: <b>11.09.2017</b> <b>GROWTH MINDSET WEEK</b>	Stunning Starter: Basket of exotic fruit / Rotation Day (Thursday) Dress up?!
