

End of Year Expectations

Geography

Year 2

Locational knowledge

Name, locate and identify characteristics of the 4 countries and capital cities of the United Kingdom and its surrounding seas.

Human and physical geography

Identify seasonal weather patterns in the UK.

Relate the location of hot and cold areas of the world to the Equator.

Use basic geographical vocabulary to refer to key physical features, including: weather, season, soil, valley and vegetation.

Use basic geographical vocabulary to refer to key human features, including: factory, farm, house, office, port, harbour and shop.

Geographical skills and fieldwork

Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage.

Use simple compass directions (north, south, east and west) and to describe the location of features and routes on a map.

Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features.

Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.
