

Place knowledge

Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region in North or South America.

Locational knowledge

Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating countries and major cities.

Identify the position and significance of Northern Hemisphere, Southern Hemisphere and the Tropics of Cancer and Capricorn.

End of Year Expectations

Geography

Year 4

Human and physical geography

Describe and understand key aspects of physical geography, including volcanoes and earthquakes.

Describe and understand key aspects of human geography, including types of settlement and land use.

Geographical skills and fieldwork

Use the 8 points of a compass and 4-figure grid references.

Use fieldwork to observe human and physical features in the local area using a range of methods, including plans and graphs, and digital technologies
