

Place Knowledge

- Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country and a region in North or South America.

Locational Knowledge

- Use patterns; and understand how some of these aspects have changed over time.
- Identify the position and significance of latitude, longitude, the Prime/Greenwich Meridian and time zones (including day and night).

End of Year Expectations Geography Year 6

Human and Physical Geography

- Describe and understand key aspect of:
 - Physical geography including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle.
 - Human geography including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.

Geographical Skills and Fieldwork

- Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied (**review each year**).
- Use fieldwork to measure, record and present the human and physical features in the local area using a range of methods, plans and graphs, and digital technologies.
