

Survival of the Fittest

Starting Questions:

What are the different physical and mental attributes needed to survive generally and to survive year 6?

Deeper thinking questions.

Is education the most important thing?

Stunning starter: Children find a map with different locations in the school where they find different clues relating to Kensuke's Kingdom.

<p>Maths: Number and place value Literacy: Read to page 11. Include lots of opportunity to discuss the text and immerse the children in the story. Vocabulary collection. Theme: PSHE - discuss the fact that Michael (in the text) is leaving school. What do the children like about school? What will he miss? Is it the right thing for him to do? Science: living things and what they need to survive. Growth Mindset: what do you need to have a growth mindset?</p>	<p>Maths: Number and place value Literacy: P4C - going off around the world and not going to school anymore. Debate: is this the right thing to do. Write him a letter. Theme: Darwin evolution. Who was Darwin? Where did he go? Literacy: Descriptive writing about the beach. Setting description.</p>	<p>Maths: Number: addition, subtraction, multiplication and division Literacy: Descriptive writing about the beach. Setting description. Peat's Sentences - ambitious vocabulary. Theme: Moving on with evolution. Geography: look at latitude and longitude, different continents Art: stone painting</p>	<p>Maths: Number: addition, subtraction, multiplication and division Literacy: Newspaper recount relating to story. Theme Science: fossils - Mary Anning learning about where fossils come from. Art: drawing fossils Theme: Go to Garson's Farm and pick fruits and vegetables for preserving. Create packaging..</p>	<p>Harvest festival week/ doing things for others Maths: Number: addition, subtraction, multiplication and division Literacy: Recount from character pov - Muchael to K family. Reading about different survival stories. Focus on speech and rules Theme: continuing with preserving project.</p>	<p>Maths: Number: addition, subtraction, multiplication and division Literacy: Write their won version of Kensuke's Kingdom. Reading about different survival stories. Focus on speech and rules of inverted commas. Theme: The Golden Rule Visitor? Scouts survival tips and techniques.</p>	<p>Maths: Fractions Literacy: Persuasive writing orang-utans Voice over script for an advert encouraging people to protect endangered animals. Theme: PSHE related to themes in Kensuke's Kingdom/ friendship etc. Carbon footprint and whether or not we should visit places. Why doesn't Kensuke want others to arrive on the island? How is it different to live on an island to the life that we live.</p>	<p style="text-align: center;">Half Term</p>
<p style="text-align: center;">4/9/18</p>	<p style="text-align: center;">10/9/18</p>	<p style="text-align: center;">17/9/18</p>	<p style="text-align: center;">24/9/18</p>	<p style="text-align: center;">1/10/18</p>	<p style="text-align: center;">8/10/18</p>	<p style="text-align: center;">15/10/18</p>	

Year Group: Year 6

Cupcake: *Autumn Term 1*

Date written: 29/6/18

Year Group: Year 6

Key Resources needed:

Cupcake: *Autumn Term 1*

Date written: 29/6/18

Numeracy: Follow the white rose scheme of work.

Theme:

SCIENCE Environments, fossils, living things
