Dear Parents/Carers

EDUCATIONAL VISITS - SPRING TERM 2018 - RECEPTION

HOW ARE EDUCATIONAL VISITS PAID FOR?

Payment for Educational Visits is collected from parents/carers 3 times per year (once each term - Autumn, Spring & Summer). The money collected pays for educational visits and other enrichment activities that we could not fund from our delegated budget. You will find nearly every state school requests payment for Educational Visits.

DO I HAVE TO PAY?

Although by law we cannot enforce payment, if not everyone pays for their child's/ren's Educational Visits, the planned activities will *have to be cancelled*.

I am aware that sometimes it may be difficult to contribute for the whole term's activities in one go, particularly if you need to contribute for more than one child's. We are always happy to arrange payment in instalments to help with this. Please do not hesitate to contact a member of the office staff, to discuss any concerns you may have in complete confidence.

The amounts collected will pay for the following for your child/ren for the 2017/18 Academic Year:

During the speciality weeks, although the children do not normally go off site, we have various workshops/visitors coming into the school, for example we usually have a Mathemagician in Maths Week, an Author or Storyteller in Book Week, Scientists in Science Week, a Sculptor or Painter in Arts Week, amongst others.

All of these extra activities have been, in the past, and are still, enjoyed immensely by the children and make a positive contribution to their learning. The termly contribution covers ALL of the above trips/workshops/activities and offers very good financial and educational value. *Please note... it also covers the cost of coaches needed to transport children to any activity that occurs away from school premises.*

This contribution amount for the **SPRING TERM** is:

£15.50

With your support we can avoid having to cancel an event as we will know well in advance if we are able to cover the cost. Each trip, workshop or activity is very carefully costed and planned to ensure we only ask for sufficient money to cover the actual cost. The school **does not** make a profit and regrettably does not have any additional income to cover any shortfalls or non-payers.

The permission slip below will be cover all the Educational activities, workshops and off-site visits listed, as well as ensuring we have collected the payment needed to ensure each activity can go ahead.

There are, of course some notable exceptions that cannot be included, for instance Class Photographs and Fun Run sponsorship. A further exception would be if we were able to take advantage of a special offer at short notice as we have done in the past, e.g. visits from theatre companies offering productions relevant to the curriculum.

Yours sincerely

Mrs S Taylor
Headteacher
