

Dear Parents/Carers,

As part of our theme, which this term is focused on the Victorians, we would like to extend the children's learning further and provide them with a memorable experience by taking them on an Educational Visit to Milestones Museum.

The visit will provide children with the opportunity to discover what it would have been like to live in the Victorian period. Children will explore full size streets, buildings and shops such as a fire station and sweet shop. They will have the opportunity to speak to experts at the museum and complete hands on learning activities.

The whole year group will be visiting the museum on **Friday 15<sup>th</sup> September 2017.**

Children will need to be at school at 8:40am so that we are ready to leave by 9:00am. We expect to be back for the end of the school day (3:15pm), please collect your children from the playground or as normal on that day. The cost of this trip will be included in the Termly Contribution amount which is to follow.

Children will need to wear school uniform and their coat as well as school shoes. They will need to bring a packed lunch with two drinks in a named carrier bag. There will be somewhere to store belongings on arrival.

If you have any queries please do not hesitate to contact your class teacher.
